

## Sawanotsuru “Akaneiro” Subsidy

Sawanotsuru Co.,Ltd subsidize the study of a Sawanotsuru’s product “Akaneiro” in Kobe University from 2012.

This subsidy established in honor of Ms.Vu Thi Bich Hau, the student from Vietnam. She contributed greatly to the study of a yeast from a sasanqua to develop a product “Akaneiro” which had been produced by collaborating of Sawanotsuru and Kobe University.

Ms. Vu Thi Bich Hau was invited to Kobe University’s Home Coming Day Party in October 29<sup>th</sup>.

Mr. Nishimura (Director of Sawanotsuru Co.,Ltd. ) announced about the subsidy in the tea party of the Home Coming Party.

Freshly squeezed “Akaneiro” was used for a toast in the party which was brewed with 6 students from Kobe University as new brew sake of 2012.

Among them, there was a student from Vietnam who was Ms Vu’s junior.
